Companies that offer training alone experience **22.4% increase** in productivity, but when combined with coaching that figure **rises to 88%.**

Gerald Olivero, Denise Bane & Richard Kopelman, Public Personnel Management.

### *How?*

When executed properly, coaching provides greater intrinsic motivation - in other words, inspiring the self-directed willingness to try new things and make new discoveries. According to McKinsey, when employees find greater intrinsic motivation, they are 32% more committed to their work and 46% more satisfied with their jobs.
